

September

8th - International Literacy Day. Take a look at our range of books for children to learn about online safety.

Have you witnessed harmful content online? Report it to reportharmfulcontent.com

Check out our Education Sessions for schools!

The Childnet Film Competition launches this month – find out more childnet.com/film

October

This Black History Month, learn more about the impact Black people have had on technological advancements.

Sign up for a free trial of the Childnet Digital Leaders Programme to help your learners become the next online safety pioneers!

Safer Internet Day Supporters Registration is open! Pledge your support to appear on our website and get a certificate!

November

13-17th - Anti-Bullying Week - Make a noise about bullying including when this happens online. There are free resources available from the Anti-Bullying Alliance.

13th - World Kindness Day - What can your learners do today to spread kindness, both online and offline?

Our free Safer Internet Day Resources are now live!

December

The December term is a great time to start shooting films for the Childnet Film Competition!

Why not send learners home with our free "Family Agreement" and "My Life Online" templates? These resources are a fun way for families to set boundaries together on new tech over the holidays!

January

Happy New Year! Help learners with our Screen Time and Healthy Balance guidance.

There's just one month to go until Safer Internet Day 2024 - have you registered your support and downloaded our education resources?

Contact the Professionals Online Safety Helpline for online safety issues you face at work.

February

6th - Safer Internet Day - Check out our free resources, films and more, let's celebrate #SaferInternetDay together!

5-11th - Children's Mental Health Week. Why not take a look at the free resources and activities from Place2Be?

LGBTQ+ History Month – How will your school or setting recognise LGBTQ+ people's impact on the subjects we're learning about?

March

2nd - World Book Day is a fantastic opportunity to read our Digiduck and learning-to-read book with children aged 3-7.

8th - International Women's Day - Our Project deSHAME resources are designed to help educate about online sexual harassment, including against women and girls.

Keep #SaferInternetDay conversations going by exploring our Help & Advice pages.

April

1st - April Fool's Day can be a clever way to introduce misinformation to your learners.

2nd - World Autism Awareness Day – Use our Thrive Online and STAR SEND toolkits to help young people with SEND or ALN stay safe online.

Have you started shooting for the Childnet Film Competition? Only two months left to enter!

May

4th - World Password Day – Discuss the importance of privacy and personal information today.

ReelLife is our interactive resource to help young people aged 9-14 identify the potential risks of social media.

Remember that you can contact the Professionals Online Safety Helpline if online issues arise this term.

June

It's the deadline for entries to the Childnet Film Competition! Look out for the winners' announcement very soon!

Download and print our free "Own Your Online Identity" poster and display it in your school this Pride Month.

Why not book a Childnet Education Session for next year?

July

Remind learners and parents of how they can report issues online over the holiday, including on popular social media apps.

See how you can protect your reputation online with our resources.

A perfect send off for Year 6 would be using our Moving on Up resource, helping them with their move to secondary education.

August

Why not enrol in the Childnet Digital Leaders Programme ready for September?

Subscribe to the Childnet Newsletter for the latest online safety news and resources all year round!

Remember childnet.com has all of the latest online safety news and free resources on a range of issues and topics!
