## Top tip 1

Storyboarding your film idea is a great way to see how your finished film will look.

The film is going to be in the style of... (for example a story, a news report, documentary, information film or animation).

Roles and responsibilities...(choose the ones relevant to your film and add names to who will be working on props, storyboarding the idea, actors, director, camera operator and editing).

What equipment, props or costumes will you need?

## Top tip 2

Always rehearse before you film anything!
